24 April 1962

To: Contracting Officer
 Subject: Contract No. SB-3662

25X1 Returned herewith are the original and one copy of subject contract, both fully executed. We have retained an executed copy for our file.

25X1 Noting the date "on and after 26 February 1962" in Part IX, we would request your consideration of making that date January 1, 1962, instead. Kelly has talked with [redacted] and requested that he give it his consideration. Approximately [redacted] of our expenditure in anticipation of this contract occurred after the end of 1961 and prior to 26 February.

Reference to cockpit mock-up in Part VIII should be "delivered under Contract DK-3559." Reference in Exhibit "A" to "modify as necessary the A-12 mockup" is correct. (There is an extensive cockpit and forward section mockup of the AF-12 existing under Contract SB-3660 and it is not involved in this study program.)

Very truly yours,
